This is a summary of benefits provided by each carrier. Please refer to the Benefits at a Glance (BAAG) for detailed information. Should any questions arise, insurance contracts in effect will take precedence. COBRA rates are available on benefits.umhinsider.org.

***HSA Annual Employer Contributions** as a result of open enrollment, or continued participation in the U-M Health HDHP w/HSA plan, will be processed after the first pay period in January. All other HSA Employer Contributions will be prorated monthly based on benefit effective date and deposited within 30 days of the benefit election date. Please contact HR for further details.

Team members electing HSA/FSA benefit options are responsible to manage compliance with IRS HSA/FSA rules. Note regarding contributions: U-M Health Regional Network automatically makes a one-time annual employer contribution to your HSA account, pro-rated based on effective date. Team members are responsible for managing annual HSA/FSA contributions to ensure that the annual IRS limit is not exceeded. Team members who should find they have over-contributed in any calendar year would be responsible to request the HSA vendor to distribute any excess contributions from their account by April 15 of the subsequent year.

****Separate deductible applicable to auto-accidents: \$25k – all plans;** coverage is secondary to auto insurance in the event of an auto accident. None of the plans offered are qualified health coverage (QHC); all will coordinate with auto insurance.

*****Non-embedded deductibles** require full deductible be met. **Embedded deductibles** apply to each individual covered, if family deductible has not yet been met.

******Dispense as Written (DAW):** If a covered member obtains a brand name drug when a generic drug equivalent is available, the member will pay the difference between the cost of the brand name drug and the cost of the generic, in addition to the copay. The cost difference will not apply to the deductible, or the annual maximum out-of-pocket.
